

# Holiday Activity Programme

Dear Parent,

## Confirmation of activity booking with Ashton Park Sports Centre

Thank you for booking your child onto:

### Dance

Please find below details and requirements for the session:

The session will take place at Ashton Park Sports Centre. Our Dance sessions run from 10:00am - 12:30pm after carrying out a warm up from 9:00am. The group will then work on putting together a 'Mini Dance' choreographed by our Dance instructor before performing their 'final piece' to the children and coaches in the Escape Zone. The dance type is varied from hip hop, contemporary and street dance.

Drop off and collection for this activity will be at **Ashton Park Sports Centre**. Once dropped off and registered at the Sports Centre, a member of the team will take the children into the Dance Studio where the session will be carried out. The children will then be brought back to the Sports Centre after the activity ready to be signed out and collected.

Suitable trainers and clothes are required for a half day activity. A re-fillable water bottle is needed and a packed lunch if your child is staying for the whole day. We also ask that you pack an extra **healthy** snack for your child as we stop mid-way through the morning for a healthy snack break. If the weather is warm the children may be taken outside for a part of the day, therefore sun cream applied in the morning or brought along (for your child to apply) is recommended.

Please note that these sessions are subject to a required minimum number of participants. Booking must be done before 4pm the day before an activity.

If you have any further questions please contact the Sports Centre on the number below.

Regards,

Ashton Park Sports Centre
