

Holiday Activity Programme

Dear Parent,

Confirmation of activity booking with Ashton Park Sports Centre

Thank you for booking your child onto:
YB Football Camp

This session has been organised in partnership with Young Bristol. Please find below details and requirements for the session:

The session will take place at Ashton Park Sports Centre. Young Bristol's Football Camps are aimed for children to come along and help improve their football skills whilst making new friends. The Football Camps take place all week from Monday - Friday with an emphasis on different aspects of football each day. The week will include; fitness testing, tournaments, drills, small sided matches, penalty shoot outs, cross bar challenges, fun games and much more. Sessions are based outdoors on the fields of Ashton Park school but the weather may force sessions onto a different surface or indoors. The Camp also includes a presentation on the final day in which prizes, gifts and rewards can be won by the participants.

Drop off and collection for this activity will be at **Ashton Park Sports Centre**. Once dropped off and registered at the Sports Centre, a Young Bristol instructor will take the children onto the fields where each day will be carried out. The children will then be brought back to the Sports Centre after the activity ready to be signed out and collected.

There is a strong possibility participants will get muddy, damp, and in some cases, wet. They may also damage clothes and footwear. **We recommend that they bring a complete change of clothes including footwear.**

Participants should bring the following to the session:

- Waterproof Jacket
- Shin pads
- Football Boots AND Astroturf trainers
- Water bottle
- Packed Lunch

Please note that these sessions are subject to a required minimum number of participants. Booking must be done before 4pm the day before an activity.

If you have any further questions please contact the Sports Centre on the number below.

Regards,
Ashton Park Sports Centre
