

Holiday Activity Programme

Dear Parent,

Confirmation of activity booking with Ashton Park Sports Centre

Thank you for booking your child onto:

Netball

Please find below details and requirements for the session:

The session will take place at Ashton Park Sports Centre. Ran by a specialist 'All England' Netball coach, these sessions involve different Netball skills and games aimed at teaching children the basics of Netball as well as progressing their skills. With opportunities to progress to playing for a Netball team or even playing in the Avon Netball League, this really is a great activity for all participants!

Drop off and collection for this activity will be at **Ashton Park Sports Centre**. Once dropped off and registered at the Sports Centre, the Netball coach will take the children onto the courts where the session will be carried out. The children will then be brought back to the Sports Centre after the activity ready to be signed out and collected.

Suitable trainers and clothes are required for a half day activity. A re-fillable water bottle is needed and a packed lunch if your child is staying for the whole day. We also ask that you pack an extra **healthy** snack for your child as we stop mid-way through the morning for a healthy snack break.

Please note that these sessions are subject to a required minimum number of participants. Booking must be done before 4pm the day before an activity.

If you have any further questions please contact the Sports Centre on the number below.

Regards,

Ashton Park Sports Centre
